ART IN GENERAL, founded in 1981 by artists, is a not-for-profit arts organization offering 3000 square feet of exhibition space. Its programs consist of seven annual group exhibitions emphasizing the growth and development of contemporary art. Sponsoring projects which might not be realized elsewhere, Art in General supports artists through the presentation of their work. A revolving advisory panel made up of artists select Art in General's future programs. Anyone interested in exhibiting their work should contact Art in General directly.

Art in General's programs are sponsored by the National Endowment for the Arts, New York State Council on the Arts, Abraham and Lillian Rosenberg Foundation, General Hardware Manufacturing Co., Inc., artists and individuals. Art in General is a member of the National Association of Artists Organizations (NAAO).
